

# the ANTHESIS BULLETIN

MARCH 2020

A MONTHLY UPDATE OF PARTICIPANTS HAPPENINGS

## California Love

### 'RASS SENIORS HONOR THE LIVES OF KOBE BRYANT AND HIS DAUGHTER GIGI TOGETHER

'RASS program celebrated the life of Kobe Bryant and his daughter Gigi on February 24. The chosen day perfectly reflected Bryant's jersey number and everyone came to show their Lakers spirit wearing purple and gold. Each senior shared their memories, thoughts, and feelings about the legendary basketball player. Paul C. spoke of his favorite moments watching Kobe on T.V. and Oliver W. talked about all of his wins! Everyone was happy to post a heartfelt message on the memorial wall in celebration of his life and legacy. Ken S. wrote, "I will miss you Kobe! Rest in Peace Kobe and Gianna, we love you!"

The 2020 Presidential Primary Elections were held on "Super Tuesday" March 3 throughout California. Mr. Dean W. is proud to be an American and even more proud to vote in his very first election. Dean has been with Anthesis almost 12 years and currently participates in the IECBS community-based program. Congratulations, Dean, for exercising your right to vote!

We were recently awarded a Community Grant from Walmart and had the opportunity to stop by and meet the Walmart Team and thank them with a custom made gift from our RASS Program participants! We are thankful for our partners at Walmart and everything they have done for us in the past and look forward to what the future holds when we come together as a community.

Jose G. will soon be completing his second month at FSC Lighting. When asked how he liked working at FSC, he answered with a great big smile, "I LOVE IT. I like how we all get along and help each other out. I really love how the company treats us and how friendly everyone is here. The jobs we do here are fun and I like to work as a team."

**A FEW WORDS WITH MO**

- Q. I understand that something exciting has happened in your life recently.**  
 A. Actually, three things have happened. My two sisters got married and I got a job!
- Q. Congratulations on the marriage of your sisters and getting a job. Can you tell us about your new job?**  
 A. It is in an art gallery. I can sell my photos and will be helping others sell their photos and paintings.
- Q. How did you find out about this job?**  
 A. Lori took me there a couple of times and helped me find it.
- Q. Was this part of you and Lori going on Discovery outings to see what types of jobs you might be interested in?**  
 A. Yes. Photography is a hobby for me. I also took my whole family to the gallery. It was my mom, dad and one of my sisters. My mom bought one of my photos at the gallery.
- Q. What did your family think of the gallery?**  
 A. They loved it.
- Q. Since joining IECBS, besides getting a job, what do you think has been the best part of the program.**  
 A. I like how they talk to you one on one. They give you advice and I like to go to the museums. Jessica and Austin are really supportive.
- Q. Anything else you would like people to know about you?**  
 A. I'm just really happy.

**Anthesis**

In response to COVID-19, Anthesis will be postponing the 2020 Annual Dinner "All That Jazz" until Friday, May 8, 2020. This decision has been made with a heavy heart. Since our event takes place in an intimate venue, we cannot accommodate the social distancing guideline provided by health officials. While we are adhering to strict safety standards, we feel this is the best course of action. We support the efforts and mandates put in place by the County, City, and public health officials to keep everyone safe and will be monitoring for further information as we get closer to our postponed date.

The safety of our community has always been and will continue to be our number one priority. We will continue to keep in touch with updates regarding our operations and future plans. For more information, please contact (909) 624 -3555 extension 241 or at [mitch@anthesis.us](mailto:mitch@anthesis.us)
