

the ANTHESIS BULLETIN

FEBRUARY 2021

A MONTHLY UPDATE OF PARTICIPANT HAPPENINGS

A work crew from Anthesis recently picked up a large furniture donation and worked together diligently to move all the items. Pictured here is Steven G., Augusto B., Jacob C., Karen C. (pick up coordinator), Steven F., Kwessi P. and Johnathon G. Everyone worked hard to make sure everything got back to the Anthesis Thrift Store. The donation consisted of many large items, such as a washer/dryer set, a beautiful antique king size bed (headboard/footboard), a beautiful piano, dressers, among other items. Be sure to stop by the Anthesis Thrift Store at 4669 Holt Blvd. in Montclair today! The proceeds earned help support Anthesis' programs and participants.

Coach Jacob, Nathaniel B., Christopher Z. and Nicholas S. from the Supported Employment Program are working hard to keep the facilities and grounds of the Community Center and McCoy's Equestrian Center in the City of Chino Hills clean. They faithfully wear their masks at all times and social distance as much as possible.

Daniel C. from the Adult Development Center is seen here showing off his custom calendar. With the help of Daniel's instructor, he was able to create his own calendar over Zoom. Daniel was very eager to decorate his calendar and use it to help him keep track of his busy schedule.

Nathaniel K. from the Supported Employment Program started working at Middle Tree through the Paid Internship Program. Nathaniel did so well that he was hired as a direct employee. Manager Nancy recently commented that she "is so appreciative to have such a great employee". Nathaniel has a lot to be proud!
