

the ANTHESIS BULLETIN

JULY 2021

A MONTHLY UPDATE OF PARTICIPANT HAPPENINGS

FSC Lighting enclaves (Ashley H., Christina R., Jose V., Jose G., Robert S., Senior Job Coach, Luann Suber, and Brock B.) took time to strike a pose while working hard. Being a part of the Supported Employment Program, participants receive on-the-job support to ensure they are well-qualified to perform job tasks. At FSC Lighting, these workers in the enclave learn the skills in manufacturing energy-efficient LED lighting for commercial, industrial and institutional customers. With the support of a job coach, participants in the Supported Employment Program receive on-going coaching and mentoring to make sure they are successful.

Bethany D. from the Adult Development Center program designed and crafted a tie dye dress. With assistance provided by her instructor, Bethany carefully added her favorite colors to the dress to create her own design. Bethany is very pleased with the results and excited to show it off!

Congratulations to Brendan D. from the Transition Program for reaching his goal to acquire his driver's license. Brendan and his coach, Ryenez, worked hard to study for his permit and driving test. Brendan's hard work and dedication paid off--he passed his test on the first attempt. Way to go, Brendan!

Amy T. from the Adult Development Center program created her very own summer treat with the help of her instructor. By simply adding chopped fruit of her choice and juice into popsicle molds, Amy made her own delicious treats to share with her instructor and housemates! Great job, Amy!

A FEW WORDS WITH CECE O., ADULT DEVELOPMENT CENTER (ADC) PROGRAM

Thank you for the awesome interview,
Cece!

Q: Tell us about yourself.

A: My name is Cece and I love everything Frozen themed!

Q: How long have you been a part of Anthesis?

A: I joined Anthesis on November 3, 1988. I worked for the workshop doing various tasks, such as assembling pizza boxes, packaging sponges, placing tabs on glasses, and working on light meters. I transferred to ADC on December 10, 2018 and love going on community outings.

Q: What do you like to do for fun?

A: I enjoy working on my iPad, watching Disney movies, especially Frozen, and painting flowers.

Q: What type of activities do you look forward to doing while in program?

A: My favorite thing to do during program is painting and going on community outings with my friends. I like exercising to my favorite Disney music and making jewelry with my instructor.
