JUNE 2021

A MONTHLY UPDATE OF PARTICIPANT HAPPENINGS

Anthesis' Yard Crew (Luis S., Jorge P., Kwessi P., and Job Coach, Angel Hernandez) tackles all work related to landscape management, including mowing, raking, cleaning, gardening, weeding, and more! This hardworking group is dedicated to doing great work and they learn valuable skills along the way. Did you know that the Yard Crew is available for hire? They offer landscaping services to anyone interested. Whether for a personal residence or a business office, the Yard Crew can make your landscape vision a reality. Spread the word and reach out for a free yard maintenance service estimate! Contact Isabel McDaniel at (909) 624-3555 ext. 266 or isabel@anthesis.us.

Robert N. (pictured above) from the Adult Development Center program was hard at work putting together his very own wood truck! With the assistance of his instructor Maria T., they put together the bolts, screws and gave it a lovely coat of paint. Robert N. enjoyed showing off his creation to his friends on Zoom.

Accompanied by Job Developer Lina West, Angelica O. and Eric N. from the Transition Program played the important role of extras in the new branding videos for the Ontario International Airport. Angelica and Eric are doing their best "movie star pose" to prepare for their exciting opportunity.

Maria P. (pictured above) from the Adult Development Center program created her very own necklace with the help of her instructor. By following her instructors lead, Maria chose the beads of her liking to complete her own wearable art. Since crafting is Maria's favorite hobby, she was so excited to participate!

A FEW WORDS WITH CHARIS A., TRANSITION PROGRAM

Thanks for the great interview, Charis!

Q: Tell us about yourself.

A: My name is Charis A. I've been working on my goal to exercise every day and have made a calendar to help me reach my goal.

Q: How has Anthesis impacted your life?

A: Anthesis has impacted me in many ways. I was able to learn that my past goal of working with kids was not for me and now have a goal of exercising and keeping myself healthy. I'm excited to volunteer again and explore new jobs and hobbies.

Q: What is your favorite place to volunteer at?

A: I really liked volunteering at the YMCA. I liked cleaning the basketball bleachers and had fun swimming after I finished volunteering.

Q: What do you like to do for fun?

A: I like to watch movies on Netflix. I also like to cook and bake with my mom a lot. Sometimes we make banana muffins, but my favorite dish that I make with my mom are her Korean kimchi dumplings.
