Valentine's Day Crafts with Cece O.

Surprise Present for Barbara E. from the 'RASS program

Getting to Know Miranda R.

Congratulations to Nicholas B. & James F.!

Barbara E. from 'Round About Senior Services was given a surprise present of what she always wants: paper and pencils. It is important to Barbara to feel like she is always at school. Barbara advocates for herself that she wants lined writing paper and pencils to be sent home to her because she enjoys keeping up on her writing skills.

**Valentine's Day Crafts**

Cece O. from the Adult Development Center program loves doing crafts and enjoys getting creative. Cece's instructor, Gina Chirino, set up some Valentine's Day crafts for Cece to have some fun with. During this activity, Cece carefully painted hearts on a t-shirt and tote bag using fabric paint. Cece can't wait to show off her newly designed shirt to her friends and family!
