

ANTHESIS ASSOCIATION MEETING HELP MAKE A DIFFERENCE! WEDNESDAY, MAY 15TH

California's Developmental Disability System is in a **crisis**.

Your voice matters more than ever.

Together, we can help protect services for Californians with
Intellectual and Developmental Disabilities

Join us at our **MOST IMPORTANT** parent & community meeting of the year

May 15, 2019 at 5:30 p.m.

Location: Anthesis Cafeteria, 4650 Brooks St. Montclair, CA 91763

The developmental disability system is in peril after years of underfunding from the State. This year, we have a real chance to address the service crisis, but it will only happen if EVERYONE makes their voices heard. It's truly an "all hands on deck" moment. Come join us for a presentation by Barry Jardini, the Government Affairs Director from the California Disabilities Services Association (CDSA), where he'll provide an overview of the challenges facing the system, the opportunities we have this year, and how you can be the difference!

Please R.S.V.P by calling 909-624-3555 ext. 223

*Snacks and drinks will be provided

**Anthesis**
