BREWABILITIES CRAFT BEER FESTIVAL

Anthesis' inaugural Brewabilities Craft Beer Festival occurred on April 23, 2022 at the McCoy Equestrian Center in Chino Hills and was nothing short of a success! The craft beer community came together to support the efforts of Anthesis' programs and bring awareness to the disability community. Because of the generosity and support of the craft beer community and our sponsors, we have raised over \$32,000! Huge thank you all for the generous support and we look forward to celebrating again with you next year! Cheers!

Volunteer Appreciation Month

In celebration of Volunteer Appreciation Month, Transition Program participants Dayton G., Kim H., John R., An Dinh N., and Caleb H. volunteered at the Gibson Community Center in Upland. While volunteering there, they assist with serving lunches and preparing fruit cups. The Gibson Community Center has been a favorite volunteer site for many of the Transition Program participants. Our community truly appreciates and benefits from your volunteer efforts. Keep up the great work!

Karilynn B., Jaimie E., and Paul C. from the 'Round About Senior Services program explored the Santa Ana Zoo and learned so much about a variety of animals from around the world. This trip was definitely exciting as they were able to see many animals, such as flamingos and monkeys!

CONGRATULATIONS TO ROBERT K.!

Robert K. was recently placed at HC Pacific, where he is responsible for kitting of aerospace parts. Congratulations on your new position!
