Fun Times at Downtown Disney!

Matthew G. and Lorna M. from the Adult Development Center (ADC) program enjoyed a fun day at Downtown Disney! Their instructor, Gina Chirino, planned a special outing to Downtown Disney as she knows both Matthew and Lorna love all things Disney. While there, they were able to go shopping and enjoy all the fall Disney decor.

September 12th - 18th was National Direct Support Professional Recognition Week! During that week, Anthesis celebrated the incredible efforts of our dedicated direct support staff who reported to work each day to care for individuals and kept our programs running during the pandemic. Thank you for all that you do!
